

**Open Position
Santa Fe & ABQ
MIXER TRUCK DRIVER**

Job Brief

Duke City Redi-Mix, a leading provider of high-quality concrete products in Albuquerque and the surrounding areas, is currently seeking Mixer Truck Drivers to join our team. If you are a dedicated and skilled driver with a passion for delivering top-quality concrete products, we invite you to apply. We offer competitive wages and a comprehensive benefits package, including health insurance, 401k, and paid time off.

Job Requirements

- High school diploma or equivalent
- Valid commercial driver's license (CDL) with appropriate endorsements
- Knowledge of safety protocols and procedures for mixer truck operations
- Ability to work independently and collaboratively with a team
- Strong communication and organizational skills
- Willingness to work flexible hours, including weekends and holidays, as needed

Job Responsibilities

- Safely operate mixer trucks to transport concrete to job sites, ensuring on-time delivery and quality service.
- Maintain cleanliness and functionality of the mixer truck, including routine maintenance.
- Adhere to all safety standards and protocols during transportation and concrete discharge.
- Communicate effectively with team members and supervisors, ensuring accurate delivery to job sites.
- Keep precise records of deliveries, including quantities and customer information.
- Complete pre-shift inspections, verifying that the mixer truck is in good working condition.
- Comply with all relevant regulations and guidelines governing mixer truck operations.
- Notify appropriate supervisors of any issues with the vehicle or delivery process.
- Maintain a clean and safe work environment in and around the mixer truck.
- Perform other related duties as assigned.

If you're an experienced and dedicated Mixer Truck Driver seeking a fulfilling role within a dynamic team at Duke City Redi-Mix, please submit your resume outlining your work experience and your reasons for wanting to join our company.

Join us in our mission to deliver high-quality concrete products and contribute to the success of Duke City Redi-Mix.
