

# **DUKE CITY REDI-MIX ACQUIRES SANTA FE CONCRETE, EXPANDING THEIR REACH AND IMPACT**

## **FOR IMMEDIATE RELEASE**

October 27, 2023

Duke City Redi-Mix, a leading name in the construction industry, is excited to announce its acquisition of Santa Fe Concrete, a long-established and respected company in the Santa Fe construction market. This strategic move marks a significant milestone for Duke City Redi-Mix as it expands its footprint into new territories and reinforces its commitment to delivering excellence in construction materials supplying.

Santa Fe Concrete, founded by the Montano family, has been a trusted pillar in the construction market in Santa Fe for many years. With this acquisition, Duke City Redi-Mix not only inherits the legacy of Santa Fe Concrete but also plans to infuse its own wealth of experience, innovative practices, and industry-leading standards into the new market.

One of the key highlights of this acquisition is the addition of 20 talented and dedicated employees to Duke City Redi-Mix's workforce family. These professionals bring a wealth of expertise and local knowledge, ensuring a seamless transition and continuation of top-quality service for the community.

Furthermore, Duke City Redi-Mix will be expanding its fleet of state-of-the-art construction equipment, enabling it to provide even better service to its clients. This expansion of resources will enhance the company's ability to meet the growing demands of construction projects in the region.

"With the acquisition of Santa Fe Concrete, we are not only expanding our presence but also our commitment to delivering exceptional quality and service to our community," said Miles Shiver IV, CEO/Owner of Duke City Redi-Mix. "We are honored to carry forward the legacy established by the Montano family and are excited about the opportunities this acquisition brings. Our team is dedicated to maintaining the high standards and quality of service that Santa Fe Concrete has been known for while introducing new innovations that will benefit our clients."

As a result of this strategic acquisition, Duke City Redi-Mix will now be able to service a far broader range of areas, including Santa Fe, Espanola, Los Alamos, Las Vegas, and many more. This expansion aligns with the company's mission to be a leader in the construction industry by providing dependable, high-quality concrete throughout the region.

Duke City Redi-Mix expresses its sincere gratitude to the Montano family for their outstanding contributions to the Santa Fe construction community and their trust in Duke City Redi-Mix to carry on their legacy.
