

Open Position Diesel Mechanic (Albuquerque)

Job Brief

Duke City Redi-Mix, a leading provider of high-quality concrete products in Albuquerque and the surrounding areas, is currently seeking a skilled Diesel Mechanic to join our team. If you are an experienced mechanic with expertise in diesel engines and heavy equipment, we encourage you to apply. We offer competitive wages and a comprehensive benefits package, including health insurance, 401k, and paid time off.

Job Requirements

- High school diploma or equivalent
- Proven experience as a Diesel Mechanic
- Knowledge of diesel engine systems, heavy equipment, and maintenance procedures
- Ability to work both independently and as part of a team
- Strong communication and organizational skills
- Willingness to work flexible hours, including weekends and holidays, as needed

Job Responsibilities

- Diagnose, repair, and maintain diesel engines and heavy equipment to ensure optimal performance.
- Perform routine maintenance and inspections on a variety of equipment, including mixer trucks and batch plants.
- Conduct repairs, rebuilds, and overhauls on diesel engines and related systems.
- Adhere to all safety standards and protocols during maintenance and repair activities.
- Keep accurate records of maintenance activities, parts used, and equipment conditions.
- Communicate effectively with team members and supervisors to ensure efficient equipment maintenance.
- Utilize diagnostic tools and equipment to identify issues and perform necessary repairs.
- Maintain a clean and organized work environment in the maintenance area.
- Perform other related duties as assigned.

If you're a team oriented worker that takes pride in seeing a job well done within a dynamic team at Duke City Redi-Mix, please submit your resume outlining your work experience and your reasons for wanting to join our company.

Join us in our mission to deliver high-quality concrete products and contribute to our goal of Building a better New Mexico.
